

TO: Montréal Exchange (MX) Participants
FROM: Technical Help Desk
OBJECT: REMINDER - External Point of Presence (POP) Decommission
DATE: October 11th, 2017

As a follow-up to technical notice [17-004](#), this notice serves as a reminder of the forthcoming Secaucus (NY2), Chicago (CH1) and London (LD5) external POP connectivity decommissioning, slated for January 31st, 2018.

In an effort to ensure as smooth a transition as possible, we invite you to share your migration plans with any of the contacts listed below and remind you that we are available to assist with any migration questions or concerns you might have.
