# Technical Notice 19-011

## Montreal Exchange introduces FIX AB message

Bourse de Montréal Inc. (the “Bourse”) hereby announces that it will be upgrading its FIX protocol to F0 for the purposes of the AB, AC and F (long) messages.

Details related to the FIX AB message and its various impacts can be found in the FIX AB Client Impact Document. The F0 protocol specifications contain all necessary information in order to develop the combined strategy creation and order message.

FIX AB timeline:

F0 protocol specifications	Access in <a href="http://www.tmxwebstore.com">www.tmxwebstore.com</a> August 21th
FIX AB Client Impact Document	Access in <a href="http://www.tmxwebstore.com">www.tmxwebstore.com</a> August 21th
GTE	Early Q4
Production	Q4

A subsequent notice will follow to announce the effective launch dates for GTE and Production.

Please direct any question, comment or request for additional information, to our Technical Help Desk.
