Technical Notice 21-004

Change on the TMS and Clearing API gateway closing time

Please note that in preparation for the new Asia Hours initiative, the closing time of the TMS and the Clearing Api is now changed from 11pm to 10pm. The change will be effective until the new asia hours starts in production, as stated in the [Technical Notice 21-003](#).

This change will result in no impact in the business as the end of post trading operations is unchanged at 5h20pm, It is possible that monitoring systems will capture this change.

Thank you for your cooperation.

Please direct any question, comment, or request for additional information to our Technical Help Desk.
