In reference to the first contract month position limit, the Regulatory Division would like to remind approved participants that, as per articles 12.107, 12.207, 12.307 and 12.407 of the Rules and Policies of the Bourse, the maximum net Long Position or net Short Position in each Government of Canada bond futures contract which a person may own or control in accordance with article 6.310/6.311 is the futures contract equivalent of 5% of the total outstanding amount of Government of Canada bonds eligible for delivery for the designated Government of Canada bond futures contracts at the start of trading on the first business day prior to the first delivery notice day of the first contract month.

The position limit for the first contract month becomes effective on the first business day prior to the first delivery notice day of the first contract month.

The position limit for the first contract month of Government of Canada Bond futures contracts will be published on the Division's website on the first business day prior to the First Delivery Notice Day.

You will find below a reminder of the gross position levels over which reporting is required by the Bourse, in such form and in such manner as prescribed by the Bourse, in accordance with articles 6.5, 12.8, 12.108, 12.208, 12.308, 12.408, 12.508, 12.708, 12.1808, 12.1308, 12.1908 and 12.1911 of the Rules for futures contracts and in accordance with article 6.501 of the Rules for options on futures contracts.
