**NEW “CLEARING ACCESS SERVICES” GATEWAY
AVAILABLE IN PRODUCTION MODE**

Bourse de Montréal Inc. (the Bourse) would like to inform its Canadian and foreign approved participants and their independent software vendors that the new gateway for post-trading services is now available in production mode.

The new service allows external clearing applications to interface with the Bourse to manage post-trading functionalities such as trade allocations and give-ups. This new gateway does not replace existing post trade facilities, which continue to be operated and maintained by the Bourse.

For additional information or to schedule testing and certification of your clearing application for this new service, please contact Mark Bourcier, SAM Participant Connectivity Coordinator at (514) 871-3581 or by e-mail at samconnect@m-x.ca.
