CIRCULAR 041-14
March 24, 2014

Equity Options and Options on ETF Symbol Date Change

Bourse de Montréal Inc. (the Bourse) hereby informs all Approved Participants that at the opening on Monday March 31, 2014, all long term options and long term ETF options with an expiry date later than February 1, 2015 will be converted to their adjusted symbols reflecting the amended expiry date.

This modification will change the expiration date in the symbol of all existing equity and ETF options with expiries later than February 1, 2015, from Saturday to Friday.

There will be NO changes to the expiration of options on futures, S&P/TSX 60 Index options (SXO) and options on the US Dollar (USX).

Bourse de Montréal Inc. - Adjustment Details:

On **Friday March 28, 2014** after the market close, all existing options expiring later than February 1, 2015 will be assigned a Friday expiry date. **This change will only take effect the next business day, Monday March 31, 2014.**

The following changes will impact all Approved Participants:

- Instrument symbols will change.
- Open orders, including all GTC, GTD orders **will be cancelled.**
- All option strategies containing at least one option leg impacted by the symbol change **will be automatically deleted**; no new option strategies will be created to replace deleted strategy instruments.

Participants may cancel all open orders on Friday March 28, 2014. At 4:00 pm, the Bourse's Market Operations Department will cancel all remaining open orders on options expiring later than February 1, 2015. Participants remaining connected should receive a cancel message for each open order. Market Operations will provide a list of GTC & GTD orders cancelled by the Bourse to participants.

All APs are responsible for and required to re-enter their GTC and GTD equity and ETF option orders on Monday March 31, 2014.

Participants wishing to place an order on a strategy are required to re-create the strategy (with the corresponding updated option) by sending an instrument creation message (for User-Defined Strategy creation) or by contacting the Bourse's Market Operations Department.

In the table below are examples of each option class that will be modified, the prefix of the old symbol and the new symbol reflecting the change.
