S&P CANADA 60

ADDITION OF AN INDEX OPTION SYMBOL

Bourse de Montréal Inc. (the Bourse) and Canadian Derivatives Clearing Corporation (CDCC) hereby inform all option participants of the possibility of an upcoming additional symbol for new series of index options on S&P Canada 60 (SXO).

Due to recent price fluctuations of the underlying for **SXO** and the lack of strike price alpha codes to identify each series, the Bourse and CDCC will create a new symbol – **SXZ** – for all **additional series of options strike prices of nine hundred and forty dollars (\$940.00) and above.**

For further information, please contact Louise Leclair, Trading Systems Analyst Market Operations, Bourse de Montréal Inc. at (514) 871-3526. CDCC Clearing Members may contact the CDCC Operations Department.
