AMENDMENTS TO THE LIST OF FEES OF BOURSE DE MONTRÉAL INC.

Bourse de Montréal Inc. (the “Bourse”) hereby announces amendments to its List of Fees, as detailed below.

No. 1 Amendments to sections 6.1 & 7.1 - S&P/TSX 60 Index Options (SXO) Rebate & Fee Cap Programs

The Bourse is modifying the Rebate and Fee Cap Program for Approved Participants by decreasing the threshold for the SXO fee cap from 10,000 to 1,000 contracts. This rebate program is applicable to cross transactions and pre-arranged transactions in zero-seconds; however it only applies to the leg where the approved participant acts as the counterparty of the trade.

The Bourse is also modifying the Fee Cap Program for Clients by decreasing the threshold for the SXO fee cap from 10,000 to 1,000 contracts. This fee cap program is applicable to cross transactions and pre-arranged transactions executed in zero-seconds.

For further information, please contact Gladys Karam, Director – Equity Derivatives at 514 871-7880, or at gkaram@m-x.ca.

No. 2 Amendments to section D, Note 4 - The Fee Rebate Program for Options on Three-Month Canadian Bankers’ Acceptance Futures

The Bourse is extending the execution fee rebate program for participants in the Liquidity Provider Rebate Program (LPRP), applicable to Options on Three-Month Canadian Bankers’ Acceptance Futures (OBX, OBW, OBY and OBZ) announced in [Circular 122-13](#). This fee rebate program has been extended to June 30, 2014.

For further information, please contact Joanne Elkaim, Director – Fixed Income Derivatives at 514 871-7891, or at jelkaim@m-x.ca.

Circular no. : 149-2013

No. 3 Amendments to sections B.1.2.1, B.1.2.2 & B.3.4 - The Large Open Position Reporting (LOPR) Graphical User Interface and Virtual Private Network Connectivity Fees

In an effort to automate processes and increase the confidentiality and security of the reporting of large open positions in derivative instruments listed on the Bourse, the latter has developed a secure reporting solution for the transmission of the required LOPR information.

The Graphical User Interface reporting application fees, detailed in the LOPR Software License Agreement, as well as the VPN connectivity fees, have now been added to the List of Fees.

As the Bourse offered a six-month grace period for these fees from the date on which large open position reporting became mandatory, no fees will be charged until October 1, 2013.

For further information, please contact the Technical Help Desk at (514) 871-7872, at 1-877-588-8489 or at samsupport@m-x.ca.

The aforementioned changes to the List of Fees will take effect on September 1, 2013. The new List of Fees, both blackline and clean versions, can be found attached for your information.
