

TO: Montréal Exchange (MX) Participants

FROM: Market Access Manager

OBJECT: **New MX Datacenter Opening & Customer Migration Timelines**

DATE: November 26, 2014

Following the technical notice 14-014 on October 10, 2014, the Montréal Exchange is pleased to inform the opening of 3 new datacenters on **January 19, 2015**.

The new datacenters will offer the same physical connectivity, market data access using MX's HSVF protocol, trading access for quotes and orders using the MX SAIL and FIX protocols and all other services offered.

New Datacenter Locations

Seacaucus	Chicago	London
Montreal Exchange C/O Equinix NY2 275 Hartz Way Seacaucus, NJ 07094 NPA-NXX: 201-330 -XXXX	Montreal Exchange C/O Equinix CH1 350 East Cermak Rd, 6th Floor, Suite 650 Chicago, IL 60616 NPA-NXX: 312 -595 -XXXX	Montreal Exchange C/O Equinix LD5 8 Buckingham Avenue Slough Trading Estate London, UK, SL1 4AX NPA-NXX: 01753-518 -XXXX

Participant Considerations

Customers that have existing connectivity in the NY10, 111 North Canal in Chicago and 6 Braham St. in London can now plan their migration to the new datacenters mentioned above. These locations will no longer be available as of April 27, 2015.

Customers are required to fill out and submit a MX Network Access Form to access the new datacenters. To obtain the network access form, please send an e-mail request to POP-Relocation@m-x.ca.
