# AMENDMENT TO THE LIST OF FEES OF BOURSE DE MONTRÉAL INC. (EFFECTIVE APRIL 1, 2015)

#### INTRODUCTION OF THE CGF INCENTIVE PROGRAM

Bourse de Montréal Inc. (the "Bourse") is pleased to announce the introduction of an incentive program to encourage quoting and trading activity on the Five-Year Government of Canada Bond Futures (CGF) contract.

Under this program, the Bourse will waive transaction fees for clients of an Approved Participant or of a Foreign Approved Participant, Approved Participants or Foreign Approved Participants, or Liquidity Provider Rebate Program participants' on three (3) Ten-Year Government of Canada Bond Futures (CGB) contracts for each (1) CGF contract traded within the same calendar month. The fee waiver is limited to 10,000 CGB contracts per calendar month, per program applicant.

Those who wish to participate, and are not enrolled in the Bourse's Liquidity Provider Rebate Program, must complete and submit the application form as attached.

Program applicants must designate a sub-account through which their CGF and CGB trading activity will be processed. Trading activity processed outside of that designated sub-account will not qualify for the fee waiver.

This program will run from April 1, 2015 to March 31, 2016. The Bourse reserves the right to revise or cancel the program, at any time, with 30 days notice.

For more information on this program, please contact Joanne Elkaim, Director, Fixed Income Derivatives at 514-871-7891 or <a href="mailto:jelkaim@m-x.ca">jelkaim@m-x.ca</a>.

The aforementioned changes to the List of Fees will take effect on April 1, 2015. Blackline and clean versions of the List of Fees – April 1 2015 can be found attached for your information.
