

TO: Montréal Exchange Participants
SUBJECT: Postponement of underlying symbol changes
DATE: September 14, 2016

On August 5, 2016 The Bourse de Montréal Inc. (the Bourse) published Technical Notice [16-005](#). One of the elements announced was the harmonization of underlying symbols for Equity and Exchange Traded Fund options to their corresponding securities listed on the TSX.

Upon further consideration the Bourse has decided to postpone the harmonization until further notice. Consequently the underlying symbols that were to be impacted by the harmonization, listed in the table below, will remain the same.

List of underlying symbols that will remain unchanged
