Advisory Notice A18-017

Large Open Position Reporting (LOPR) Enhancement – Decommission of the A0 Protocol

Pursuant to Technical Notice 18-009, note that **the decommission of the Large Open Position Reporting Position Report Manager Graphical User Interface (LOPR GUI) version 1.7.1.0 and the LOPR API A0 protocol will take place as of September 28, 2018, after market close.**

After this date no user will be able to connect using the old A0 protocol nor submit LOPR reports using the LOPR GUI version 1.7.1.0. Kindly note that as of this limit date, all users must have installed the new LOPR GUI version 12.26.5.1 or be using the LOPR API L2 protocol.

Please be sure to take all necessary measures to be ready for this upgrade if this has not already been done.

For any comments, concerns or questions, please contact the Technical Help Desk or the Regulatory Division (see below).
