iSHARES CDN S&P/TSX GLOBAL GOLD INDEX FUND
ADDITIONAL SYMBOLS FOR LONG TERM EQUITY INDEX OPTIONS

Bourse de Montréal Inc. (the Bourse) and Canadian Derivatives Clearing Corporation (CDCC) hereby inform all option participants of the possibility of additional symbols for new series on long term equity index options on iShares CDN S&P/TSX Global Gold Index Fund (WDD 2010 and VXG 2011).

Due to recent price fluctuations of the underlying for WDD 2010 and VXG 2011 and the lack of strike price alpha codes to identify each series, the Bourse and CDCC will create two new long term equity index options symbols – WXG 2010 and VGX 2011 – for all additional options strike prices of twenty-six dollars (\$26.00) and above.

For further information, please contact Louise Leclair, Trading Systems Analyst, Market Operations, Bourse de Montréal Inc. at (514) 871-3526. CDCC Clearing Members may contact the CDCC Operations Department.
