May 12, 2017

## **SELF-CERTIFICATION**

### **AMENDMENTS TO RULE 15 OF THE BOURSE DE MONTRÉAL INC. TO UPDATE S&P'S LIMITATION OF LIABILITY DISCLAIMER**

The Rules and Policies Committee (the “Committee”) of Bourse de Montréal Inc. (the “Bourse”) has approved amendments to Rule 15 of the Rules of the Bourse in order to update the S&P Dow Jones Indices LLC (“S&P”) limitation of liability disclaimer with respect to the Bourse’s products the underlying of which is an S&P index.

These amendments, as attached, were self-certified in accordance with the self-certification process as established in the *Derivatives Act* (CQLR, Chapter I-14.01) and will take effect on **May 15, 2017** after market close. Please note that Rule 15 will also be available on the Bourse’s website ([www.m-x.ca](http://www.m-x.ca)).

For additional information please the undersigned by telephone at 514 787-6578 or by email at [martin.jannelle@tmx.com](mailto:martin.jannelle@tmx.com).

Martin Jannelle  
Legal Counsel  
Bourse de Montréal Inc.

## 15731 Limitation of Standard & Poor's Liability Disclaimer

~~(07.09.99; 22.10.09)~~07.09.99, 22.10.09, 00.00.00

~~Standard and Poor's, a division of The McGraw-Hill Companies, Inc. (S&P Dow Jones Indices LLC ("S&P"))~~; licenses ~~the Bourse de Montréal Inc.~~ to use various S&P /TSX indices (~~« indices »~~) in connection with the trading of Bourse futures exchange-traded contracts and options on futures exchange-traded contracts and options exchange-traded contracts based upon such indices. S&P, its affiliates and their third party licensors shall have no liability for any damages, claims, losses or expenses caused by any errors, omissions or delays in calculating or disseminating the indices. None of the futures exchange-traded contracts, options on futures exchange-traded contracts or options exchange-traded contracts are sponsored, endorsed, sold or promoted by S&P, its affiliates or third party licensors.

S&P, its affiliates and their third party licensors make no representation or warranty regarding the advisability of investing in securities generally or the ability of any of the indices to track general stock market performance. S&P, its affiliates and their third party licensors have no obligation to take the needs of the traders of futures exchange-traded contracts, options on futures exchange-traded contracts, ~~or~~ options exchange-traded contracts in determining, composing or calculating the indices. S&P, its affiliates and their third party licensors are not responsible for and have not participated in the determination of the prices, and amount of any financial product issued by the Bourse or the timing of the issuance or sale of such products or in the determination or calculation of the equation by which any such product is to be converted into cash, surrendered or redeemed, as the case may be.

Neither S&P, its affiliates nor their third party licensors guarantee the adequacy, accuracy, timeliness, or completeness of the indices or any data included therein or any communications, including, but not limited to, oral or written communications (including electronic communications) with respect thereto. S&P, its affiliates and their third party licensors shall not be subject to any damages or liability for any errors, omissions or delays in calculating or disseminating the indices. Neither S&P, its affiliates nor their third party licensors make any representation, warranty, express or implied, as to the results to be obtained by any person or any entity from the use of the indices or any data included therein in connection with the trading of futures exchange-traded contracts, options on futures exchange-traded contracts, options exchange-traded contracts, or any other use. S&P, its affiliates and their third party licensors make no express or implied warranties, and expressly disclaim all warranties of merchantability or fitness for a particular purpose or use with respect to the indices or any data included therein. Without limiting any of the foregoing, in no event shall S&P, its affiliates or their third party licensors be liable for any indirect, special, incidental, punitive or consequential damages (including, but not limited to, loss of profits, trading losses, lost time or good will), even if they have been advised of the possibility of such damages, and irrespective of the cause of action, whether in contract, tort, strict liability or otherwise. There is no assurance that investment products based on the S&P/TSX indices will accurately track index performance or provide positive investment returns. S&P is not an investment advisor. Inclusion of a security within an index is not a recommendation by S&P, its affiliates or third party licensors to buy, sell, or hold such security, nor is it considered to be investment advice.

#### **15787.15 Limitation of Standard & Poor's Liability**

~~(18.01.16)~~18.01.16, 00.00.00)

Standard and Poor's, a division of The McGraw-Hill Companies, Inc. (S&P Dow Jones Indices LLC ("S&P")); licenses the Bourse de Montréal Inc. to use various S&P /TSX indices (« indices ») in connection with the trading of Bourse futures exchange-traded contracts and options on futures exchange-traded contracts and options exchange-traded contracts based upon such indices. S&P, its affiliates and their third party licensors shall have no liability for any damages, claims, losses or expenses caused by any errors, omissions or delays in calculating or disseminating the indices. None of the futures exchange-traded contracts, options on futures exchange-traded contracts or options exchange-traded contracts are sponsored, endorsed, sold or promoted by S&P, its affiliates or third party licensors.

S&P, its affiliates and their third party licensors make no representation or warranty regarding the advisability of investing in securities generally or the ability of any of the indices to track general stock market performance. S&P, its affiliates and their third party licensors have no obligation to take the needs of the traders of futures exchange-traded contracts, options on futures exchange-traded contracts, or options exchange-traded contracts in determining, composing or calculating the indices. S&P, its affiliates and their third party licensors are not responsible for and have not participated in the determination of the prices, and amount of any financial product issued by the Bourse or the timing of the issuance or sale of such products or in the determination or calculation of the equation by which any such product is to be converted into cash, surrendered or redeemed, as the case may be.

Neither S&P, its affiliates nor their third party licensors guarantee the adequacy, accuracy, timeliness, or completeness of the indices or any data included therein or any communications, including, but not limited to, oral or written communications (including electronic communications) with respect thereto. S&P, its affiliates and their third party licensors shall not be subject to any damages or liability for any errors, omissions or delays in calculating or disseminating the indices. Neither S&P, its affiliates nor their third party licensors make any representation, warranty, express or implied, as to the results to be obtained by any person or any entity from the use of the indices or any data included therein in connection with the trading of futures exchange-traded contracts, options on futures exchange-traded contracts, options exchange-traded contracts, or any other use. S&P, its affiliates and their third party licensors make no express or implied warranties, and expressly disclaim all warranties of merchantability or fitness for a particular purpose or use with respect to the indices or any data included therein. Without limiting any of the foregoing, in no event shall S&P, its affiliates or their third party licensors be liable for any indirect, special, incidental, punitive or consequential damages (including, but not limited to, loss of profits, trading losses, lost time or good will), even if they have been advised of the possibility of such damages, and irrespective of the cause of action, whether in contract, tort, strict liability or otherwise. There is no assurance that investment products based on the S&P/TSX indices will accurately track index performance or provide positive investment returns. S&P is not an investment advisor. Inclusion of a security within an index is not a recommendation by S&P, its affiliates or third party licensors to buy, sell, or hold such security, nor is it considered to be investment advice.

**15991 Limitation of Standard & Poor’s Liability Disclaimer-**  
**(~~15.05.09~~15.05.09\_00.00.00)**

~~Standard and Poor’s, a division of The McGraw-Hill Companies, Inc. (S&P Dow Jones Indices LLC (“S&P”); licenses the Bourse de Montréal Inc. to use various S&P /TSX indices (« indices ») in connection with the trading of Bourse futures exchange-traded contracts and options on futures exchange-traded contracts and options exchange-traded contracts based upon such indices. S&P, its affiliates and their third party licensors shall have no liability for any damages, claims, losses or expenses caused by any errors, omissions or delays in calculating or disseminating the indices. None of the futures exchange-traded contracts, options on futures exchange-traded contracts or options exchange-traded contracts are sponsored, endorsed, sold or promoted by S&P, its affiliates or third party licensors.~~

S&P, its affiliates and their third party licensors make no representation or warranty regarding the advisability of investing in securities generally or the ability of any of the indices to track general stock market performance. S&P, its affiliates and their third party licensors have no obligation to take the needs of the traders of futures exchange-traded contracts, options on futures exchange-traded contracts, or options exchange-traded contracts in determining, composing or calculating the indices. S&P, its affiliates and their third party licensors are not responsible for and have not participated in the determination of the prices, and amount of any financial product issued by the Bourse or the timing of the issuance or sale of such products or in the determination or calculation of the equation by which any such product is to be converted into cash, surrendered or redeemed, as the case may be.

Neither S&P, its affiliates nor their third party licensors guarantee the adequacy, accuracy, timeliness, or completeness of the indices or any data included therein or any communications, including, but not limited to, oral or written communications (including electronic communications) with respect thereto. S&P, its affiliates and their third party licensors shall not be subject to any damages or liability for any errors, omissions or delays in calculating or disseminating the indices. Neither S&P, its affiliates nor their third party licensors make any representation, warranty, express or implied, as to the results to be obtained by any person or any entity from the use of the indices or any data included therein in connection with the trading of futures exchange-traded contracts, options on futures exchange-traded contracts, options exchange-traded contracts, or any other use. S&P, its affiliates and their third party licensors make no express or implied warranties, and expressly disclaim all warranties of merchantability or fitness for a particular purpose or use with respect to the indices or any data included therein. Without limiting any of the foregoing, in no event shall S&P, its affiliates or their third party licensors be liable for any indirect, special, incidental, punitive or consequential damages (including, but not limited to, loss of profits, trading losses, lost time or good will), even if they have been advised of the possibility of such damages, and irrespective of the cause of action, whether in contract, tort, strict liability or otherwise. There is no assurance that investment products based on the S&P/TSX indices will accurately track index performance or provide positive investment returns. S&P is not an investment advisor.

Inclusion of a security within an index is not a recommendation by S&P, its affiliates or third party licensors to buy, sell, or hold such security, nor is it considered to be investment advice.

any errors, omissions or delays in calculating or disseminating the indices. Neither S&P, its affiliates nor their third party licensors make any representation, warranty, express or implied, as to the results to be obtained by any person or any entity from the use of the indices or any data included therein in connection with the trading of futures exchange-traded contracts, options on futures exchange-traded contracts, options exchange-traded contracts, or any other use. S&P, its affiliates and their third party licensors make no express or implied warranties, and expressly disclaim all warranties of merchantability or fitness for a particular purpose or use with respect to the indices or any data included therein. Without limiting any of the foregoing, in no event shall S&P, its affiliates or their third party licensors be liable for any indirect, special, incidental, punitive or consequential damages (including, but not limited to, loss of profits, trading losses, lost time or good will), even if they have been advised of the possibility of such damages, and irrespective of the cause of action, whether in contract, tort, strict liability or otherwise. There is no assurance that investment products based on the S&P/TSX indices will accurately track index performance or provide positive investment returns. S&P is not an investment advisor. Inclusion of a security within an index is not a recommendation by S&P, its affiliates or third party licensors to buy, sell, or hold such security, nor is it considered to be investment advice.

**15991 Limitation of Standard & Poor's Liability Disclaimer-**  
(15.05.09, 00.00.00)

S&P Dow Jones Indices LLC ("S&P") licenses the Bourse to use various S&P/TSX indices in connection with the trading of Bourse futures exchange-traded contracts and options on futures exchange-traded contracts and options exchange-traded contracts based upon such indices. S&P, its affiliates and their third party licensors shall have no liability for any damages, claims, losses or expenses caused by any errors, omissions or delays in calculating or disseminating the indices. None of the futures exchange-traded contracts, options on futures exchange-traded contracts or options exchange-traded contracts are sponsored, endorsed, sold or promoted by S&P, its affiliates or third party licensors.

S&P, its affiliates and their third party licensors make no representation or warranty regarding the advisability of investing in securities generally or the ability of any of the indices to track general stock market performance. S&P, its affiliates and their third party licensors have no obligation to take the needs of the traders of futures exchange-traded contracts, options on futures exchange-traded contracts or options exchange-traded contracts in determining, composing or calculating the indices. S&P, its affiliates and their third party licensors are not responsible for and have not participated in the determination of the prices, and amount of any financial product issued by the Bourse or the timing of the issuance or sale of such products or in the determination or calculation of the equation by which any such product is to be converted into cash, surrendered or redeemed, as the case may be.

Neither S&P, its affiliates nor their third party licensors guarantee the adequacy, accuracy, timeliness, or completeness of the indices or any data included therein or any communications, including, but not limited to, oral or written communications (including electronic communications) with respect thereto. S&P, its affiliates and their third party licensors shall not be subject to any damages or liability for any errors, omissions or delays in calculating or disseminating the indices. Neither S&P, its affiliates nor their third party licensors make any representation, warranty, express or implied, as to the results to be obtained by any person or any entity from the use of the indices or any data included therein in connection with the trading of futures exchange-traded contracts, options on futures exchange-traded contracts, options

exchange-traded contracts, or any other use. S&P, its affiliates and their third party licensors make no express or implied warranties, and expressly disclaim all warranties of merchantability or fitness for a particular purpose or use with respect to the indices or any data included therein. Without limiting any of the foregoing, in no event shall S&P, its affiliates or their third party licensors be liable for any indirect, special, incidental, punitive or consequential damages (including, but not limited to, loss of profits, trading losses, lost time or good will), even if they have been advised of the possibility of such damages, and irrespective of the cause of action, whether in contract, tort, strict liability or otherwise. There is no assurance that investment products based on the S&P/TSX indices will accurately track index performance or provide positive investment returns. S&P is not an investment advisor. Inclusion of a security within an index is not a recommendation by S&P, its affiliates or third party licensors to buy, sell, or hold such security, nor is it considered to be investment advice.
