THE REGULATORY DIVISION PARTICIPANT SCORECARD

The Regulatory Division is pleased to issue the Regulatory Division Participant Scorecard (the “Scorecard”) for the period of January 1 to June 30, 2026. The Scorecard is a way for the Regulatory Division to share its observations with Approved Participants, including Foreign Approved Participants (the “Participants”) for informational purposes only. Some Participants will not receive a Scorecard, as it may not be customized to their business model or activities.

Participants, through their Designated Representatives and Portal Administrators, may access the content of their Scorecard via the [MX-R Connect](#), including its methodology from the “About” tab (see screenshot).

Any comparison to other Participants’ practices or level of compliance is made on an anonymous basis.
