

CIRCULAR 111-20

June 18, 2020

**EXTENSION
ALTERNATIVE MEASURES AND REPORTING DELAYS
COVID-19**

On March 11, 2020, the Regulatory Division (the “Division”) of Bourse de Montréal Inc. (the “Bourse”) published a circular ([041-20](#)) reminding Approved Participants of their obligations regarding the business continuity plan¹ which should cover multiple scenarios, including those of a pandemic. The Division emphasized its expectation that Approved Participants take all reasonable steps to achieve compliance with their regulatory obligations.

Given the possible constraints associated with the pandemic, the Division also published additional guidance to Approved Participants relating to certain regulatory requirements ([circular 043-20](#)) and granting additional reporting delays ([circular 049-20](#)).

The Division is hereby extending, until September 30, 2020, the period for which it will deem the alternative measures described in [circular 043-20](#) as reasonable, subject to meeting the minimum requirements.

The Division is also extending until September 30, 2020, the additional 30-minute delay granted in [circular 049-20](#), when reporting Large Open Position Reports (“LOPR”) and Exchange of Futures for Related Products (“EFRP”) Transactions.
