AMENDMENTS TO THE LIST OF FEES OF BOURSE DE MONTRÉAL INC.

Bourse de Montréal Inc. (the “Bourse”) hereby announces the introduction of rebates on option contract transactions. The Bourse is implementing the following tier-based rebate program for approved participants and foreign approved participants applicable to clients’ transactions lower than 100 contracts.

- 1) Eligible Products: ETF, equity, index and currency options.
- 2) Qualifying Transactions: Eligible Products transactions lower than 100 contracts originating from approved participants or foreign approved participants entered as “Client” account type (any other account types from transactions pre and post allocation will not qualify). Similarly, partially filled transactions for original quantity equal to or greater than 100 contracts will not qualify.
- 3) The Bourse will be using the following tier-based structure based on annual volumes of Qualifying Transactions for Eligible Products:

Tiers in number of contracts annually	Rebate (%)	ETF Options	Equity, Index and Currency Options
		Transaction Fee post rebate	
0 - 1,500,000	0%	\$0.25	\$0.50
1,500,001 – 3,000,000	30%	\$0.175	\$0.35
3,000,001+	40%	\$0.15	\$0.30

- 4) The rebate is based on a calendar year (January to December) and will be calculated quarterly. The rebate credited quarterly will be based on the prorated year-to-date Qualifying Transactions volume for Eligible Products.

The volume of Qualifying Transactions will be taken into consideration as an undivided volume of the Eligible Products and then categorized into the eligible tiers as a whole. Once the commingled volumes are established in their proper tiers, then, the appropriate % rebates will be applied on the option type’s regular execution fee.

Circular no.: 143-2011

Due to the nature of the rebates being credited quarterly, the approved participants' and foreign approved participants' volume on Qualifying Transactions may or may not qualify for the annual threshold. Therefore, the Bourse reserves the right to make any adjustments at each quarter-end based on the prorated year-to-date figures and claim back any excess rebates distributed to the approved participants or foreign approved participants during the year.

Qualifying Transactions benefiting from this rebate program will not be eligible to other rebate programs.

Amendments to the List of fees will be effective as of October 3rd, 2011. Please refer to the amended List of fees attached for further information.

Should you have any further inquiries, please contact Gladys Karam, Director, Equity Derivatives, Financial Markets, at 514-871-7880.
