TECK COMINCO LIMITED

ADDITION OF AN EQUITY OPTION SYMBOL

Bourse de Montréal Inc. (the Bourse) and Canadian Derivatives Clearing Corporation (CDCC) hereby inform all option market participants of the possibility of an upcoming symbol addition for new series of options on the Teck Cominco Limited (TCK).

Due to recent price fluctuations of the equity underlying the TCK option and the lack of strike price alpha codes to identify each series, the Bourse and CDCC will create a new symbol – **TKX**– for all additional options strike prices of one hundred and five dollars (\$105.00) and above.

For further information, please contact Louise Leclair, Trading Systems Analyst Market Operations, Bourse de Montréal Inc. at (514) 871-3526. CDCC Clearing Members may contact the CDCC Operations Department.
